# “Sit & Chat” with the Founder of We the People Warwick

*Wondering what we're all about? Come find out!*

We the People Warwick's (WTPW) founder, Beverly Braxton, will hold a public forum to share our all-volunteer grassroots organization's recipe for strengthening Warwick as a community of belonging. Come learn more about WTPW's approach, our dialogue series, our facilitator training, and our various initiatives to help bridge divides, build connections, and bind our community.

**When:** Tuesday, July 11th, 6:30 PM ~ 7:30 PM

**Where:** Albert Wisner Public Library

**Who:** Anyone who's interested!

*Join Beverly to learn what can happen when people come together to improve the community. She will share how WTPW uses curiosity as a foundation for connecting goodwill and creative ideas. You will learn our method for infusing and blending diverse points of views to reveal the true power of community.*
