

## A Day in the Life

*What's it like to be a school nurse? A grocery clerk? A farmer? A police officer? A plumber? A community volunteer?*

Often, we don't know much about the work of others, but this "A Day in the Life" program will offer a glimpse into daily lives such as these. This particular morning will give three local residents — **Warwick Volunteer Ambulance EMT, Joie Ogradnick; Conversational Italian teacher, Dr. Dominic Cappelleri; and Cosmetic Chemistry Scientist, Art Georgales** — a chance to describe the joys and challenges of their jobs and activities. There will also be time for questions from the audience and refreshments following. Please consider joining us!

**When:** Saturday, April 20th, 10:30 AM ~ 12:00 PM

**Where:** The Buckbee Center, 2 Colonial Ave, Warwick  
(next to the Warwick Post Office)

**Who:** Adolescents ~ Adults

*Come experience the joy of how stories can connect, engage and inspire us.*
